

Larry L. Roberson II

Proven Expertise: A Prepared Coach Who Utilizes Science, Analytics, and Film to Develop, Prepare and Lead

PROFESSIONAL SUMMARY

Highly skilled and multi versed basketball professional with college and semi pro playing and coaching experience. More than 10 years of coaching experience in developing successful athletes through team training developmental initiatives, scouting assessments, strategic individual skills development, and S.T.A.R² training. A strong leader who motivates and is hands on while being personable with his players. Strategic thinker with proven track record in analyzing and developing talent along with collaborating with other coaches to achieve defined goals.

ATHLETICS EXPERIENCE

- Garfield High School, Akron, Ohio, **Assistant JuniorVarsity Basketball Coach** (1998-2000,2004-2005)

Key Responsibilities:

- Contributed to the long-term development of post and perimeter players by reviewing game and practice film to create efficient and effective practice and game plans along with individual workouts.
- Developed the Player's Handbook which is a system that teaches players (helps special needs) how to study film on their own and perform more efficiently with the knowledge acquired from film and training.
- Supervised student academics and study halls and aided students who needed academic help. Team GPA. ranged between 2.8 to 3.67.
 - Created helpful aids to assist with writing and reading assignments.
- Created the S.T.A.R² training program which are individual performance plans that improved players' agility through training quickness, strength, agility, footwork, balance, coordination, and flexibility.
- Developed individual and team psychological strategies for mental toughness before, during, and after games which improved confidence, team performance and execution under pressure.
- Assisted in implementing and modifying offensive and defensive concepts by using film and data to improve offensive and defensive efficiency.
- Edited game and training video to help players understand their role, master game plans and concepts which improved player efficiency.
- Role Training – Created individualized programs that tracked the growth of the player. Trained players to accept, be efficient, and star within their role within the team system. (in and out of season).
- Directed and supervised basketball camps dedicated to creating engaging athletic opportunities.
